

READY RACK PRODUCT UPDATES!

We have several exciting announcements to share regarding changes to our wash and dry product line. Additionally, we are happy to announce a master distribution agreement with Solutions Safety Products & Services, Inc. Details of these changes are below.

WASH

EXTRACTOR 22 (EW22) \$4,950

EXTRACTOR 22 (EW22): The Extractor 22 is designed to follow current NFPA-1851 guidelines. Its front load capability and 22lb drum make it a great option for washing two sets of gear. Additionally, the Extractor 22 wash cycles are user friendly and specific to the firefighting industry. With wash cycles such as, Outer Shells and Liners, we have engineered the Extractor 22 to be simple, straight forward, and to get the job done. The Extractor 22 boasts other station friendly features such as a soft-mount design, standard water hookups, 120v electrical, and is compatible with automatic soap dispensers.

List Price: \$4,950

EXTRACTOR 30 (EW30): The Extractor 30 is designed to follow current NFPA-1851 guidelines. Its front load capability and 30lb drum make it a great option for washing three to four sets of gear. Additionally, the Extractor 30 wash cycles are user friendly and specific to the firefighting industry. With wash cycles such as, Outer Shells and Liners, we have engineered the Extractor 30 to be simple, straight forward, and to get the job done. The Extractor 30 boasts other station friendly features such as a soft-mount design, standard water hookups, 120v electrical, and is compatible with automatic soap dispensers.

List Price: \$7,449

DRY

We are happy to announce a few changes to our drying line of products. Effectively immediately, we are offering the FH2G and FH6G drying cabinets. These new products maintain the same two and six gear capacities while offering enhancements such as thicker cabinet walls, better airflow, and additional heating elements. Our new FH2G and FH6G also come with ten-year warranties. The FH2G and FH6G are available for purchase now with anticipated available ship dates of December 9th, 2019. With the addition of the FH2G and FH6G, we have discontinued the PPE2G and PPEHD.

FH2G List Price: \$4,785

FH6G List Price: \$8,949

MASTER DISTRIBUTION AGREEMENT

CitroSqueeze® and SC-14® All Purpose Station Cleaner Solutions Safety Products has proudly delivered CitroSqueeze®, today's most widely-used turnout, bunker gear, and personal protective equipment (PPE) cleaner in North America for over 20 years. Solutions Safety Products is a leader and advocate for care and maintenance in the Fire Service industry.

We are excited to announce, effective 12/15/19, Ready Rack by Groves, Inc. will be the U.S. Master Distributor of the CitroSqueeze and SC-14 product lines. Please contact the Ready Rack sales team at sales@groves.com or call 800-991-2120 with any questions.
